The Sponsor will be responsible for the entire dinner, its organisation and accounting towards the hotel or outside restaurant where the dinner will take place.

Exhibition Stands

Exhibition stand space is offered in the pre-function area or foyer of the conference rooms. An exhibition stand will consist of a table (length 160 - 180 cm) to place laptop and literature with space behind for a pop-up stand of 200 cm maximum width.

The price includes the entrance for two people to assist with the stand throughout the event, including two lunches, one dinner, and coffee and refreshments.

The exhibition stand area is adjacent to the ongoing coffee and refreshment buffet which is always attended by those delegates who enjoy their individual breaks between meetings. This provides an excellent opportunity for approaching open-minded peers who are not in a hurry. All day long. This difference to regular lecture-type meeting events with their 20-minutes coffee breaks is vital to your sponsoring success.

Custom Tailored Sponsorships

If your sponsoring needs to accommodate specific requirements, we will tailor a sponsorship to your specific needs or ideas. Please call.

A written sponsorship agreement will list the benefits (e.g. what the sponsor will receive), duties (what the sponsor has to deliver, e.g. an electronic logo image), the cost for the sponsor, and will be signed by both parties.

The agreement will be accompanied by a formal invoice.

The sponsorship rates mentioned in this brochure are net. Sponsors with residence in Germany will be added applicable VAT to the invoiced amount. Invoices are payable within 4 weeks after date of invoice, but not later than 2 weeks prior to the sponsored euroPLX Marketplace for Pharma Business Opportunities.
